Sugar Sugar Sugar notes:
The whole text in this doujinshi was handwritten by Jaryuu Dokuro, so that's why we chose to use a font to fit it.
The thick lines of the panels weren't completely burnt to preserve the artwork.
The "Merry Christmas! Big kiss for you!" message is Jaryuu Dokuro's handwriting as well, but we kept it this one.
Please enjoy this beautiful doujinshi as much as we did!

That's because you brought stuff from your home
Yearbooks are in the way, but...
There's a lot of them too
That's what's bothering about being together since childhood
It's full of you and me
That is room for senior high
Why do we have to wait for work?
Waaah
What's that, so timid

being together from childhood till now. That's kind of amazing.

"Since when" you say
To the point where I don't even remember all the time
Since when did you love me?
belly button
But now, just like this
I can be next to you,
"I shouldn't have such feelings", trying to deny it countless times
It was painful
I can touch you.
Every... day when I wake up, you're next to me
I can even kiss you

Haa haa
Taichi, you..
And here you are now,
doing such things to me
It feels like yeah not that long ago, your nose was still running
Shh,
I'm an adult now

Mh.
Taichi.

All the things we wanted to do until now, but couldn't,
let's do them all.

Merry Christmas!
